Academy at EDGE awards tuition scholarships for the Professional Certificate in Dance and Certificate of Study in Dance programs.

Audition for scholarship at a live audition or by video.

How it works:

- On the application, select the type of audition and enter the audition date.
- Submit application, supporting materials, demonstration videos (if auditioning by video) and application fee.
- When submitting by video, Scholarship Committee will use the same demonstration videos submitted for admission to determine scholarship.
- Awards are for merit and awards amounts generally vary between \$200-\$5000 depending on the program.
- Live auditions are for Admission and Scholarship. To audition, applicant must have submitted application, supporting documents and paid the application fee. On the application select the box for the type of auditions and date you wish to attend. You will be registered for this audition. You will receive an audition confirmation by email. The auditions are held at AAE. See Apply on our website for details and audition times.
- Videos auditions: Submit the number of video demonstrations for the program you are applying for. Both Professional Certificate in Dance and Certificate of Study in Dance programs require two demonstration videos in two styles offered in the program. The scholarship Committee will use these same demonstration videos submitted for admission to determine scholarship. You will be contacted should the committee request additional demonstrations. Video of each routine must be one continuous unedited shot. Solo performances filmed at an event are acceptable. Do not submit demonstration videos where the applicant is part of a group.
- We will notify the applicant of the results within ten days by email, and mail if receiving an award.
- Scholarship awards are for tuition only. Awards are not paid to the recipient. The amount of an award is included on the Enrollment Agreement. In the event of a withdrawal, participant is not entitled to refunds from AAE scholarship award. Academy at EDGE scholarship awards are not refundable or transferrable.
